Fundraising Opportunity!

Wendy has been in contact with the CWE (Canada Wrestling Elite). They are willing to partner with SAWA Wrestling teams across the province. They currently have a tour booked in November and they are willing to give us half of the ticket sales for tickets we sell. Best part is that there is no risk on our end if you don't sell the tickets you just return them. Each individual club can sell tickets and attend the event and advertise their wrestling club.

If anyone is interested or needs more information about this opportunity please let me know asap!! And I can get you in contact with the CWE coordinator to help your club gain exposure and some cash for the season.
